Annual Awards Chairman

The Annual Awards Chairman shall receive all proofs of eligibility for Title plaques and Challenge Trophies by mail or FAX. The deadline for the receipt of these materials will be strictly adhered to. It is not the Awards Chairman's responsibility to contact members for the purpose of prompting their participation.

In addition, the Annual Awards Chairman shall:

- Verify the eligibility documentation that has been submitted. This will include contacting the HVGRC Treasurer to ensure the recipient was/is in good standing for the appropriate time period.
- Order the appropriate Title Plaques from an approved Trophy/Awards shop. Records should be maintained and reflect where past orders have been placed.
- Contact all current year's recipients with instructions to ensure the return of all challenge trophies prior to the HVGRC annual award meeting.
- Attend HVGRC annual awards meeting, unpack, inspect and display the plaques and trophies.
- Coordinate the signing of the Challenge Trophy Recipient Agreements at the conclusion of the annual awards meeting.
- Store any unawarded or unclaimed trophies/plaques. Challenge Trophies will not be mailed to recipients under *any* circumstances. Title Plaques will be mailed as a last resort if other arrangements cannot be made. However, postal charges and mailer costs will be the responsibility of the recipient.
- Keep up-to-date records of all HVGRC award recipients and provide inquirers with Award Guidelines and related information.
- Notify the Editor of the *HVGRC Newsletter* as to the recipients of the Challenge Trophies. Include the name of the trophy and its donor.

New Trophies

Ideas for new trophies may be submitted to the Board of Directors at any time provided they are not duplications of an existing award. Only trophies offered for significant accomplishments should be submitted.

Trophy Ownership

Any trophy donated shall become the property of HVGRC until permanently retired, if so stipulated. If any trophy has not been challenged for five (5) years in succession, the Board of Directors may, where possible with the consent of the donor, change the original stipulations.

TITLE RECOGNITION PLAQUES

All dogs and their owners that have completed the requirements for one or more AKC titles and/or earned GRCA Title Certificates (CCA, WC, WCX, VC, VCX); and/or have been awarded GRCA Awards of Merit (SDHF, ODHF, FDHF, OD, OS), are entitled to receive from HVGRC, an engraved plaque commemorating these achievements.

One plaque will be given yearly for each dog earning one or multiple titles. Newly acquired titles for the competition year will be underlined so as to differentiate them from previously earned accomplishments. Duplicate plaques will be given to each co-owner providing each one meets the eligibility requirements below. (Co-owners that are not HVGRC members are not eligible for plaques.)

Title Plaque Eligibility Requirements

- The recipient must have been a member of HVGRC on the date the dog earned its title(s).
- The recipient must have been a member in good standing during the competition year.
- The recipient must be the “Owner of Record” as it appears on the AKC/ILP Registration Certificate, on the date the dog earned its title(s).

Other Titles/Accomplishments

Although a lot of time and effort goes into acquiring foreign titles (Bda, Can, Mex), and/or other Kennel Club titles (United KC), plaques will *not* be given for these accomplishments. However, it is important for the Awards Chairman to be made aware of these distinctions so verbal recognition of these achievements can be made at the annual awards meeting. A photocopy of the award certificate is acceptable proof.

Challenge Trophy Eligibility Requirements

- The dog must be owned or co-owned by a HVGRC member in good standing *BOTH* during the year the wins are computed AND in the following year when the trophies are actually awarded. THEREFORE, THE CURRENT YEAR'S DUES MUST BE PAID.
- If the dog is co-owned with a non-HVGRC member, the dog must live in the household of, or be shown by, the HVGRC member. The dog can be temporarily boarded with, and/or be shown by, a professional handler.
- Only those titles and wins derived from AKC licensed shows and obedience trials will count toward computation of all Challenge trophies, except where noted for the Windrush Field Trophy.

Additional Challenge Trophy Information

- The Challenge Trophies may be kept by the current winner until the next year, when they must be returned to the club. Trophies must be returned to the Annual Awards Chairman at least 60 days prior to the Annual Awards Meeting. Once awarded, recipients are financially responsible for any damage to a trophy including total replacement if the trophy is destroyed. Any repair/replacement, however, is to be handled by the club, *not* the recipient. Any recipient returning a trophy in damaged condition will continue to be eligible to win future Challenge trophies, but might not be permitted to take possession of the trophy. This will be decided by the Board of Directors.
- A trophy may be retired or rededicated if won three times by the same member, not necessarily with the same dog. If the trophy is to be rededicated, the winning member(s) must submit, in writing, his/their intent to the Board of Directors. If the trophy is to be replaced, it must be done so with one of equal or greater value. Replacement trophies require Board approval.
- Rules governing the winning of existing categories of Challenge trophies, and/or their specifications, even if rededicated or replaced, cannot be changed. The only exception is if a trophy goes unchallenged for a period of five (5) consecutive years. (See "Trophy Ownership.")
- The trophies shall be engraved annually, at the Club's expense, prior to the Annual Awards meeting. The Awards Chairman, or an individual appointed by the Chairman, shall be responsible for the engraving.

Due to the fact that the HVGRC Challenge trophies have significant and historical value which cannot be replaced, each member awarded a Challenge trophy is required to sign a Trophy Recipient Agreement before being allowed to take possession of the trophy. A copy of this agreement follows:
