QUESTIONS:

Giselle Graham

32 Old Farm Hill Rd.

Newtown, CT 06470

Phone calls, before 8pm preferred:

203-240-0015

gisellegraham1958@gmail.com

**Full payment must accompany all
appointment requests.**

**Extra tests (excluding X-rays and Heart)
may be available on day of Clinic.**

FOR ALL X-RAYS:

Most OFA X-rays done WITHOUT anesthesia unless dog is uncooperative (then mild sedation to obtain the best positioning, extra \$180 fee to be paid at Clinic). Dogs over 80 pounds MUST be sedated, so fee will be \$575.

Maximum weight of dog must be less than 150lbs.

No interpretation. Images available via email on request. Does not include OFA fee. All X-rays will be submitted to OFA. You will not be informed of results at the Clinic. **The correct OFA Forms MUST be included with your registration. Please use credit card on all OFA forms pre-filled out. Please download OFA Forms here: <https://www.ofa.org/application-forms>**

HIPS

\$275.00 Mt. Pleasant Hospital for Animals

ELBOWS

\$185.00 Mt. Pleasant Hospital for Animals

HIPS & ELBOWS (Final OFAs will take precedence over Prelims in scheduling)

\$315.00/Dogs over 80 pounds \$575.00 (\$360.00+ \$215.00 Sedation)

Mt. Pleasant Hospital for Animals

PATELLA

\$60.00 Mt. Pleasant Hospital for Animals

EYES (See new info on bottom of Registration Form regarding online form needed)

\$55.00 CERF Dr. Michael Brown, DVM, DACVO (Ophthalmology)

HEART

\$65.00 Auscultation \$325 Doppler Echocardiogram (includes Auscultation)

Dr. Andrew Waxman, DVM, DACVIM

THYROID

\$185.00 done by Michigan State Labs. Meets requirements for OFA certification. Results mailed to you in approximately 3-4 weeks.

Recommendation that the dog be fasted (no food) for at least 8 hours prior to test. OFA recommends not testing during a bitch's estrus cycle. Others recommend waiting 2 weeks after vaccination.

MICROCHIP

\$50.00 Microchip provides permanent identification.

Forms provided. Registration Included.

SNAP 4D_x (Vector-Borne Disease Screening Test)

\$75.00 Immediate Results.

Detects Heartworm, Lyme Disease (*Borrelia burgdorferi*), 2 species of *Anaplasma* (*phagocytophilum* & *platys*) and 2 species of *Ehrlichia* (*canis* and *ewingii*)

WELLNESS BLOOD PANEL

\$185 Includes Complete Blood Count (CBC), Chemistry Panel to see Organ Function and basic Thyroid T4. One week turnaround.

Bring self-addressed, stamped envelope

RABIES

\$30 Three-year Rabies vaccination (bring proof of previous vaccination coverage within past 12 months or 1 year vaccine will be given.)

BRUCELLA

\$100 Important screening for all breeding dogs. Call hospital in 1-2 weeks for results or bring self-addressed, stamped envelope.
